

Pat designs environments that promote work/life balance and increase prosperity.

Introduction (Business programs)

Pat Heydlauff (Pat Hide loff) is President of Energy Design – a company dedicated to building engaged focused workforce environments. A non-profit industry veteran CEO, Pat is a pioneer "flow of focus" organizational environment and leadership strategist.

Her programs are groundbreaking; filled with strategies and techniques designed to empower organizations to build and strengthen their existing workplace environments so that focused engagement is unleashed increasing productivity, performance and profitability.

Her forthcoming book, *Engage, Unleash the Power of Focus*, is based on her premise that a bold leadership roadmap to the future unleashes and harnesses the "flow of focus" within the workplace. She is also an expert in the time-tested philosophy of Feng Shui (fung schway), and authored the "how to" books, *Feng Shui, So Easy a Child Can Do It* and *Selling Your Home with a Competitive Edge*.

A "focused engagement" thought leader, Pat's writing is in demand and has been published in numerous periodicals. She walks her talk and lives every day with the philosophy that "everything you think, say and do matters ... because that's how you create your tomorrows." Please help me welcome Pat Heydlauff!
