Pat Heydlauff and Energy Design's Privacy Commitment

Energy Design appreciates the trust you place in us and promises your contact information will not be shared, sold or abused in any way and it will be kept private to the best of our abilities!

Energy Design respects individual privacy, and supports industry initiatives to preserve individual privacy rights on the Internet. We hate spam as much as you do.

Energy Design welcomes you to visit our website anonymously. Personal information is not collected.

Energy Design may collect personal information voluntarily supplied by you when you order products, enter contests, sign up for the newsletter, complete surveys, and the like. You have a right not to provide this information. If you choose not to provide such information, you are still welcome to visit www.energy-by-design.com but may be unable to participate in certain options, offers and services or receive the newsletter.

Energy Design will retain your mailing address information when you have voluntarily supplied it for a consultation or ordered a product. The same privacy commitment applies to mail as email.

Energy Design takes all appropriate and reasonable steps to secure and protect all information you share with us from unauthorized access or disclosure.

Please [contact us](#), call us at 561-799-3443, or write Energy Design, 580 Scrubjay Ln., Jupiter, FL 33458 with any questions or comments regarding these privacy policies.
